Non-Financial Public Sector (NFPS)

This section presents two sets of information about income, expenses, interest, fiscal deficit (-) or fiscal surplus (+), and domestic and external funding for non-financial public sector^{/1} under two methodologies:

- The first one is a statistics in cash accounting basis. This series includes historical information from the National Planning Department and the latest official data from the Ministry of Finance and Public Credit.
- The second one corresponds to the official statistics, which in addition to cash operations, includes accrual accounting adjustments that were originated under the Extended Arrangement signed between Colombia and the International Monetary Fund in 1999.

Additionally, fiscal deficit (-) or fiscal surplus (+) series for non-financial public enterprises (NFPE) is presented. This data includes subnational and national enterprises.

/1The non-financial public sector includes the central national government, social security institutions, the electric sector, national public establishments, regional and local public sector, municipal and state companies, among others.
