

Central National Government

Last modified Tuesday the 3th of February, 2015

This section presents information about central national government operations under two methodologies, summarized below:

- The first set corresponds to a measurement of cash operations. This series includes historical information from the National Department of Planning and the latest official data from the Ministry of Finance and Public Credit.
- The second set corresponds to the official statistics, which in addition to cash operations, includes accrual accounting adjustments originated under the Extended Arrangement signed between Colombia and the International Monetary Fund in 1999.

Formats **Fiscal Balance** **Empleo y desempleo - Total nacional** **Monthly**

(Information available since 1994)

Empleo y desempleo - Total nacional

(Official - Information available since 1990)

Annually

(Cash basis - Information available since 1985)
