

Governor's Presentation of the September 2016 Inflation Report

Document: Current Situation and Outlook for the Colombian Economy (298 KB) (Available only in Spanish)
Presentation: Monetary Policy and Accountability Report (277 KB) (Available only in Spanish) Keep in mind
The Monetary Policy Report presents the Bank's technical staff's analysis of the economy and the inflationary
situation and its medium and long-term outlook. Based on it, it makes a recommendation to the Board of
Directors on the monetary policy stance. This report is published on the second business day following the Board
of Directors' meetings in January, April, July, and October.
