

[Statistical Annex of the Governor's Report, published on 4 July 2017](#)

Autor o Editor

Juan José Echavarría

CURRENT SITUATION OF THE COLOMBIAN ECONOMY

This is the Statistical Annex of a new publication by the Governor of the Central Bank of Colombia. It is addressed to citizens, analysts, and domestic and foreign investors interested in learning about the most recent events in the Colombian economy, and their implications for monetary policy decision-making. The Statistical Annex will be updated on a monthly basis.
