Meeting of the Board of Directors of February 2018

Meeting of the Board of Directors of February 2018
The Board of Directors of the Central Bank of Colombia, in today’s meeting, approved the Bank's 2017 financial statements. Both the Auditor General to the Bank and the external audit firm Deloitte issued their opinion on said statements without any observations. Additionally, the Office of the Financial Superintendent of Colombia had issued its approval for submission to the Board. More info
