Guidance Material on the New Foreign Exchange Information System

Guidance Material on the New Foreign Exchange Information System
Guidance material on the new Foreign Exchange Information System is available to explain how the system operates, major changes introduced and resolve any doubts regarding access, accreditation and navigation. There is also a quick tutorial on the new Foreign Exchange Information System's investments section. To visit these contents, click on the following link: https://www.banrep.gov.co and select "Navegue por temas", "Operaciones y conceptos cambiarios", "Material de apoyo Nuevo Sistema de Información Cambiaria".

To stay informed on this matter and the latest news and events, you are invited to subscribe the "Foreign Exchange Regime" mailing list through our website: https://www.banrep.gov.co/es/listas-correo.
