

## **The new Foreign Exchange Information System has arrived**

The system's first phase has been launched with innovations in the procedures to record international investment operations and transactions. It is safe, agile, and easy to access at:

<https://www.banrep.gov.co/es/operaciones-cambiarias> (only available in Spanish) selecting the "New Foreign Exchange Information System" option from left side menu.

Moreover, on September 8<sup>th</sup>, the Foreign Exchange Affairs and Settlements Department will be holding a webinar to present and explain in depth the new Foreign Exchange Information System's international investments section. For further information on this event please go to: <https://www.banrep.gov.co/es/nuevo-sistema-informacion-cambiaria-modulo-inversiones-internacionales> (only available in Spanish).
