
Media Blackout Period - Prior to the March 2026 Board of Directors' Meeting

Activities of the Board of Directors

Banco de la República (the Central Bank of Colombia) has adopted, as a good practice in its communications policy, a blackout period in the seven days prior to this Board of Directors' meeting, during which no interviews will be granted to the media or invitations to actively participate in public events will be accepted.

Likewise, Bank employees will not make public presentations or statements, nor will they meet with investors, analysts, or journalists. See additional information in ["The Board of Directors of Banco de la República notifies updates to some of its calendar of monthly meetings and monetary policy announcements"](#)
