Until today, Monday, April 15, you can participate in the call for the Study Abroad Program
The document submission for applying to the 2024 Study Abroad Program is now open. Remember that this call offers two master´s degree programs: **Public Administration and Public Policy**. Additionally, the sponsorship for PhD in Economics, Economic Law, and young talent (music) will be maintained.

The objective of this program is to promote the training of national professionals so that the country has a larger number of highly qualified professors, researchers, public officials and artists.

The available places will be distributed as follows:

- 3 places for people who have already been accepted in PhD programs in Economics
- 2 places for people who have already been accepted in a Master's degree program in Public Administration or in Public Policy
- 1 place for people who have already been accepted in a Master's degree program in Economic Law
- 1 place for people who have already been accepted in Music programs

These places will be redistributed according to the methodology established by Banco de la República (the Central Bank of Colombia).

Check all requirements and conditions and start the application process early.
