Learn more about Banrep's new Online Store: Economic and Cultural Publications for all Audiences

Learn more about *Banrep's* new Online Store: Economic and Cultural Publications for all Audiences

The purpose of this online store is to support the generation and dissemination of knowledge on economic policy issues and economic history, as well as on various cultural topics, thus contributing to strengthen National identity through the analysis, study, and dissemination of Colombian heritage.

In this online store, citizens will find books, records, catalogs, and brochures published and co-published by *Banco de la República*.

To see the catalog of available publications, you can access the *Tienda Banrep* (Online Store), where you an purchase online through PSE (Secure Online Payments) (credit cards will be accepted soon) and ship to 23 departments of the country (restrictions apply to some destinations).

IMPORTANT NOTICE

***Banco de la República* has made available to the public the external platform "Shopify" for those interested in purchasing one or more of the publications available in the catalog. It is important to note that the registered data will be stored in Shopify's databases and processed by *Banco de la República* to adequately provide the logistics of the sale and delivery of publications purchased through this means.**

Since this is an external platform to *Banco de la República*, please note that in order to register the basic data, you must accept Shopify's Terms and Conditions, to which you must adhere. For Shopify's privacy policy, please access the following link: Shopify's Privacy Policy.
