Blog BanRep: The elusive Domestic Revolution: Time Use and Gender Roles in Colombia

Blog *BanRep*: The elusive Domestic Revolution: Time Use and Gender Roles in Colombia

Over the past decades, Colombian women have experienced profound transformations in their lives in terms of access to higher education, participation in the labor market, and reproductive decisions. However, these advances have not been fully translated into equivalent reorganization within households. The persistence of cultural norms regarding gender roles continues to shape the distribution of unpaid care work at home.

Continue reading
