Blog BanRep | The Role of Banco de la República as a development bank

Blog *BanRep* | The Role of *Banco de la República* as a development bank

According to the prevailing view in Latin America of the mid-20th century—which saw active state intervention as essential for promoting development—central banks were assigned a significant role as development banks. On this basis, they were expected to direct part of domestic savings under favorable conditions to key productive sectors to boost economic growth...
